DETAILS

On September 6, 2012, a meeting was held in Crestwood, IL. The purpose of this meeting was to have an official from the village provide a brief tour to several locations within the village.

Present for the meeting was this reporting agent, Special Agent (b) (6), (b) (7)(C), Assistant United States Attorneys Erika Csicsila and (b) (6), (b) (7)(C), who is counsel for the Village of Crestwood, and (b) (6), (b) (7)(C), who is Public Services Director for the village.

All parties initially met at Crestwood Village Hall, 13840 Cicero Avenue, Crestwood, IL. (b) (6), (b) (7)(C) provided a brief tour of village hall, to include a large walk in vault, the main file storage room, as well as a storage room for the village's older records.

From village hall, (b) (6), (b) (7)(C) lead everyone to the public works facility, located at 14040 Kildare, Crestwood, IL. (b) (6), (b) (7)(C) provided a brief tour of this location, which consists of only a few small rooms in the office area.

Next, (b) (6), (b) (7)(C) provided a brief tour of the main pump house, which is located along Route 83, in Crestwood, IL. This location is where two large water storage tanks are located, as well as the pumps that pump water throughout the village. This is where the water that is purchased from Alsip, IL comes into the Crestwood water system.

The final stop was at the site of Well #1, which is located in Playfield Park, Crestwood, IL. (b) (6), (b) (7)(C) lead everyone into the small building that housed the well, and pointed out the timer which started and stopped the well pump. SA (b) (6), (b) (7)(C) took several photographs in this room of the times that (b) (6), (b) (7)(C) pointed out.
